Note: This is a degree audit checklist only and represents the requirements in effect at the time of publication. This checklist is a shortened form of the more detailed requirements specified in the current ACU Academic Catalog. The checklist should be updated each semester or session with completed classes as a quick review of coursework needed to complete the major and degree. Major requirements and offerings may change at the discretion of ACU and the Department. Please see the current ACU Catalog for more details, including additional graduation requirements.

*In order to be prepared to be highly qualified, students should complete all courses designated as highly qualified (**HQ**) plus the electives for a total of not less than 30 credit hours in the content area.

ADMITTANCE TO THE EDUCATION DEGREE PROGRAM

In order to become a candidate for the Education degree, students must complete the requirements set by the respective Department for which they are applying. Students may apply during the semester they complete the requirements and reach a total of at least 45 semester hours.

Transfer students who will have 60 transferable credits upon transfer must declare a major when submitting their application and must be selected for admission to the major at the time of application. A "hold" may be placed on registration until the student officially declares a major. See each Department's specific section in the ACU Catalog for details.

Admission to Arizona Christian University does not guarantee acceptance into the Education Program.
