ESSAY

PLEASE ENCLOSE A 500 WORD ESSAY BASED ON THE GUIDELINES PRESENTED BELOW:
Arizona Christian University’s vision statement is “Arizona Christian University exists to educate and equip followers of Christ to transform culture with the truth.” As followers of Christ, we’re called to be salt and light in the world (Matthew 5:13-16). In other words, a natural result of our relationship with Christ is to have an effect on the world around us. Please respond to ACU’s vision incorporating the following themes:
/ In what ways does ACU’s vision to prepare students to transform culture with truth coincide with your own vision for your future?
/ ACU believes that all Christians are called to be lights for Christ, regardless of what profession God calls them to. With this in mind, how will ACU’s biblically integrated education prepare you for your career?
/ Discuss a time in which you had an effect on the culture around you and were called to stand up for Christ, even if those around you were going a different direction?
