

ACTIVE LIVING. IT'S CONTAGIOUS, INFECTIOUS AND IT STARTS RIGHT HERE. WITH YOU!

At Lorna Jane, we are on a mission to empower every woman to lead her best life through Active Living.

At the forefront of the movement is the amazing Lorna Jane Clarkson, our Founder, Chief Design Officer, and Active Living Advocate. Since sewing her first one-off design in Brisbane, Australia in 1989, Lorna has transformed her unbelievable fashion sensibility into a world-leading Activewear brand.

What started as a passion to deliver unique and inspiring designs to fellow gym lovers, Lorna Jane has now given a whole new meaning to staying fit and healthy - it's a lifestyle that transcends the walls of a gym.

Aside from industry leading technology, expert craftsmanship and hi-tech performance fabrics, Lorna Jane represents a global movement of women living their best, confident, and most beautiful lives through Active Living.

Producing designer collections available in more than 200 stores in the United States and Australia, as well as through partners in Europe, Africa, and the Middle East, our garments provide each wearer with a distinct sense of energy, vitality, beauty, and a "take on the world" approach to life.

All for the love of health and wellness, the Lorna Jane Sisterhood aspires to be their own personal best by embracing the daily practice of [Move Nourish Believe](#), and just like Lorna, Active Living runs through the veins of any woman who chooses to wear her 3 icons with pride.

Ask any woman who wears Lorna Jane. They'll agree that the quality speaks for itself wash after wash, work-out after work-out, and year after year.
