

Student Internships (ICN GROUP CORP.)

ABOUT US

ICN Group Corp. is an international internship organization. We provide university students, graduates and young professionals with opportunities for practical career training abroad. Since 2008 we have placed thousands of participants into some of America's largest and most well respected companies. We pride ourselves in matching students with the right position as well as offering complementing professional development and cultural immersion programs.

OUR VISION

Our vision is to create unique opportunities and experience to assist students and young professionals in career growth. Our programs promote the exchange of culture, ideas and relevant experience through quality internship, work-abroad and volunteer programs.

PROGRAMS AND OPPORTUNITIES

ICN Group Corp. have many programs on offer. We offer Short term programs that range from 4-16 weeks to Long Term (1 Year) programs. These programs help students and young professionals experience America's business culture. Participants will have the ability to witness firsthand the inner workings of corporate Global Headquarters and network with industry leaders.

We share a vision for student growth and achievement. We offer opportunities to intern the following industries such as: Global Consulting, Hospitality, Fashion & Merchandising, Nonprofit, Information Technology, Graphic Design, Banking & Financial Services, Media & Entertainment, and more!
